Dear Parents/Guardians:

At times in our lives we find a need for help from outside resources. All families within the Camp Hill School District are receiving an invitation to participate in the BackPack Program which is available through a partnership among New Hope Ministries, Camp Hill United Methodist Church and Camp Hill School District. The goal of the program is to provide your child with a backpack of nutritious, non-perishable food for weekends. **Participation is strictly voluntary.** Hoover students will use standard zipper backpacks. New this year, drawstring backpacks with the Camp Hill logo will be used for students at Eisenhower, Middle School and High School. In addition, middle and high school students may pick up their backpacks during the school day and put the packs in their lockers or get the backpack at the end of the school day.

If you would like to have your child participate in the BackPack Program, please complete the registration form and return it to your school's nurse. Backpack pick up is in the school's health room on Fridays or the designated day in case school is closed on Friday. The date for the first pick up is Friday, September 21, 2018.

If you have any questions about the program or the registration form, please contact Dena Higgins, School Nurse, 717-901-2500 ext. 3979 or Kris Kaleida, Program Coordinator, 717-917-2419.

Sincerely,
