

Softball Registration Now Open

SOFTBALL REGISTRATION IS NOW OPEN !!! Which is one of the first reminders that there will be flowers and rainbows. Spring will happen again. And when it does, we're hoping you and your daughter can join us for fun and softball.

NO EXPERIENCE NECESSARY – We are a recreational league. While we certainly take our softball seriously, we think that if we're not having fun, we're doing it wrong.

LADIES AGES 5 THRU 19 – Our instructional youngsters do not travel – they only play in Camp Hill. Older age groups mostly play neighboring communities.

FREE WINTER CLINICS – Not sure softball is a good fit for your daughter? Try a couple of clinics on for size. Positive softball is a good fit? Bring her out to show off her skillz.

TELL A FRIEND – 'Cause playing softball is even more fun with friends.
