INTRO TO TACKLE RUGBY (GIRLS GRADES 6 THROUGH 9)**

Registration is now open for all boys and girls interested in playing tag rugby this summer. CV Youth Rugby offers tag rugby for boys and girls currently in grades 1 to 7. CV Youth Rugby also offers tackle 7's rugby for boys and girls in grades 6 through 9.

Practices are one night a week beginning the week of June 5th and Saturday morning games begin June 10th. The season culminates in a tournament on July 15th. Vacation plans are not a worry as we add extra players to every team to account for expected absences.

Tag Rugby is an exciting blend of running, passing, kicking and scoring. The object of the game is to score in your opponent's try zone (end goal area) by running, passing and kicking the ball to advance it down the pitch (rugby field). EVERYONE gets to pass, kick and run the ball and to score. Rugby is easy to learn. Give rugby a try!
