

BEE Confident! BEE Couragous! BEE Amazing! BEE a Girl Scout!

Creating a **BUZZ** About Girl Scouts

Our Girl Scouts learn and grow through exploring different cultures, learning about STEM from local experts, giving back to their communities, and so much more.

At Girl Scouts in the Heart of Pennsylvania, we believe in encouraging girls to follow their passions and interests to make the world a better place. Where will Girl Scouts take your girl? Join now to find out!
