

Saturday Science Programs @ The Oakes Museum of Natural History at Messiah College

Curator Club for Grades 3-5 9:15 AM-11:30 AM

CC2 for Grades 6-8 12:15 PM-2:30 PM

- ◆ **January 19: Cell and Scopes!** Use microscopes to see plant and animal cells - the building blocks of life!
- ◆ **January 26: Tree of Life** Who's in your family tree? Explore the classification system for living things from amoebas to zebra.
- ◆ **February 9: Colors Everywhere!** Learn how colors are made and how animals use colors to survive.
- ◆ **February 16: React!** Perform chemical reactions, categorize acids and bases and learn more about chemistry!
- ◆ **March 2: Trash Eaters!** Discover which animals happily eat trash and how this helps them to survive!
- ◆ **March 9: Tell Me a Story** Learn about some animal folk tales, then bring a story to life using puppets, props and imagination!

Preregistration is \$15/student/Saturday; register for all six and pay only \$75 (a \$15 savings!). Financial assistance may be available.

Walk-ins may be accepted on the day of the activity as space allows for a cost of \$18. Curator Club and CC2 members receive a membership card for free admission to The Oakes Museum of Natural History, a certificate for 3 free children's admissions, and a t-shirt.

For more information and to register go to www.messiah.edu/Oakes or contact us at curatorsclub@messiah.edu or (717) 691-6082
