A MESSAGE FROM SUPERINTENDENT PATRICIA S. CRAIG

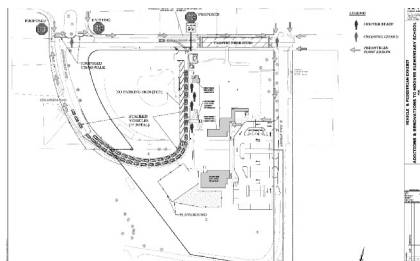

Dear Community Members,

Summer can be one of the busiest times of the year in a school district, and this is especially true for the current summer. Our work has been focused on finalizing the 2019-20 District budget, interviewing for professional staff positions, holding professional learning sessions and meetings to analyze curriculum and school scheduling, hosting athletic and academic camps for students, holding administrative planning sessions on a variety of topics to prepare for the new school year and more! We currently have a few summer renovation projects in full swing at the Middle School/High School including:

- HVAC rooftop unit replacement
- Exterior door and window replacement (pictured below)
- Replacing partitions with walls between three classrooms in the World Language wing (pictured below)
- Intercom system replacement

Each of the items above was identified as high priority following the facilities study conducted by EI Associates during the fall of 2017.

The District has also been working closely with K&W Engineers to finalize the Land Development Plan for the Hoover Elementary project, which was approved by Camp Hill Borough Council on July 11, and is slated to go out for bid at the end of August. Due to the on-going safety concerns regarding pedestrian, bicycle and vehicular traffic all converging at the 24th Street entrance of the Hoover Elementary building, the arrival and dismissal loop for vehicular traffic will be moved away from pedestrians and cyclists and be relocated to the rear of the building. This drop-off and pick-up loop will be accessible via Deanhurst and Dickinson Avenue. For more information regarding the Long-Range Facilities Plan, please visit: <https://www.camphillsd.k12.pa.us/LRFP>.

As you read through this edition of the Camp Hill Newsletter, you will find many reasons to continue to celebrate the accomplishments of our graduating senior class and the overall success of the 2018-19 school year. I am looking forward to the 2019-20 school year and continuing to serve all stakeholders in supporting our mission to provide students with the foundational skills, knowledge and opportunities for lifelong success. As a District our goal is to maintain strong collaborative relationships and a shared belief that every day is a great day to have Lion PRIDE. We thank you for your continued support and for partnering with us to empower our students to achieve their full potential!
