Educational Excellence

Community Strength

Student Success

A MESSAGE FROM SUPERINTENDENT DANIEL D. SERFASS

Dear Camp Hill Community,

Camp Hill students, faculty and staff successfully ended the 2020-2021 school year thanks to everyone's collaborative and noble efforts. Together, we all continue to bring the school district vision of, "educational excellence, community strength, and student success" to life. The enthusiasm, persistence and positivity demonstrated in the final months of the school year by the entire educational community was impressive and promises a great start to school year 2021-2022.

Resuming student learning in person, while maintaining the health and safety of our students, faculty and staff remains our top priority. For the families interested in a remote option for student learning, the district is offering the Lion Academy, an enhancement of the Capital Area Online Learning Academy that includes increased student-school connection, a district employed distance learning coordinator, and other co-curricular and extra-curricular enrichments. Further, the social-emotional needs of our students, and assuring a climate and culture that fosters a sense of student belonging and that is conducive for learning remains of paramount importance.

I am committed to the level of excellence that has traditionally defined Camp Hill. Our shared values and commitment to providing all students with the foundational skills, knowledge, and opportunity for lifelong success will continue to move us forward together.

Daniel D. Serfass
