## SUPERINTENDENT'S MESSAGE

Camp Hill Community,

I am pleased to report that the Camp Hill School District 2021-2022 school year ended very successfully. This is best exemplified by the sustained level of excellence that our one hundred and six graduating seniors demonstrated in the areas of academics, athletics, the arts, and altruism. Our faculty and staff have been working diligently this summer in preparation for our 2022-2023 school year that commences for students on August 29th. This includes the areas of safety/security, curriculum review/revision, student scheduling, extended school year and many other student and mission focused initiatives. Please see the full school district calendar and the full list of events on the district website at [www.camphillsd.k12.pa.us](http://www.camphillsd.k12.pa.us).

Many of our Camp Hill 1st through 5th grade students have been sharpening their math and language arts skills this summer in our Summer Express Program. Also, many of our secondary grade level students are taking advantage of two CHSD summer academic camp opportunities as they hone their algebra skills and prepare for the SAT and/or the ACT college entrance examinations. We are excited to begin this coming school year with a renewed and unwavering commitment to providing all students with skills, foundational knowledge, and opportunities for lifelong success.

Very Respectfully,

Daniel D. Serfass  
Superintendent, Camp Hill School District
