SUPERINTENDENT'S MESSAGE

Camp Hill Community,

The 2022-2023 school year is off to a great start, a fresh new beginning. We're capitalizing on that positive energy to enhance learning and growth for all students. The partnerships and natural integration between the Camp Hill community and the school district continue to bolster all areas of the Camp Hill educational system. To be sure, this is an incredible hallmark of Camp Hill.

Please know that we are extremely cognizant of, and sensitive to, the impact that the last few years have had on many of our educational community students, families, and staff. Identifying the pertinent ramifications and appropriate remediations is a primary focus for all school districts presently. We've taken a series of proactive measures to appropriately address these issues. These include enhancing:

- Academic interventions for unfinished learning, as well as, offering enrichment opportunities.
- District-wide communications, safety and security, and school culture.
- Student engagement through classroom instruction, extra-curricular activities, faculty/staff mentorships.
- Positive Behavior and Multi-Tiered System of Supports, and school-based counseling.

As we approach the holiday season, I am extremely proud of our students, faculty and staff! The ongoing support of the entire Camp Hill community is greatly appreciated, as together, we continue to improve upon the excellent education and life-readiness of our students.
