Educational Excellence

Community Strength

Student Success

## SUPERINTENDENT'S MESSAGE

Greetings,

This is written with much appreciation for the past and current success of Camp Hill School District and extreme optimism for our future. The remarkable accomplishments of our students, kindergarten through 12th grade, is exceptionally extensive. We are proud of our students who have worked so diligently throughout this school year, as well as our faculty and staff who have so devotedly facilitated our students' successes. Our District-wide goals of, (1) enhancing our security and safety posture, (2) increasing communications, community engagement, and partnerships, (3) maintaining a positive culture and well-being for all, and (4) improving student engagement, achievement, and growth remain critically important. Our entire education community remains committed to continuously improving our educational processes as we strive daily to provide all students with the foundational skills, knowledge, and opportunities for lifelong success.

Respectfully,

Daniel D. Serfass

CHSD Superintendent
