SUPERINTENDENT'S MESSAGE

Camp Hill Community,

Coming off a very successful school year, my hope that all of our Camp Hill families are enjoying some relaxation time this summer. The 2022-2023 school year culminated in a memorable Camp Hill High School graduation ceremony at the stadium on a beautiful June day. The student speeches were incredibly meaningful and relevant. Our ninety-six graduates were recognized for the excellence that they demonstrated throughout their journey through the Camp Hill school system in the areas of academics, athletics, the arts, and altruism. Assuredly, there are many school year District-wide successes that we are reflecting on as we strive for excellence in all areas of school life, both academically and operationally. Further, we are analyzing the applicable data from various sources such as the Measurable Results Assessment to plan actionable steps to continuously improve our service to our students and community going forward.

As we transition through the summer months, it is wonderful to see so many of our elementary students participating in the second year of our Camp Hill Summer Express Program. It is equally pleasing to see the large number of secondary students who will be engaged in the summer programs such as the August math offerings. Our staff and administration are preparing for the return of our students with the first day of classes scheduled for August 24th. As the beginning of the school year approaches, we are enthusiastically looking forward to the return of our Camp Hill students with an unwavering commitment to providing all students with the skills, foundational knowledge, and opportunities for lifelong success!

Respectfully,

Daniel D. Serfass
Superintendent, Camp Hill School District
